Life's Abundance (<http://lifesabundance.com/Redlundlabs>)Pet food **AND/OR** **NuVet Naturals Plus** (<http://www.nuvet.com/71166>) supplement.

If you decide to take advantage of this offer, these products must be ordered through our direct website:

Life's Abundance Pet Food: <http://www.lifesabundance.com/Redlundlabs>

You can call your Life's Abundance order in at 1-877-387-4564. Mention "**Bethany Lund**", or # **20268290**

This does not include the vet check, cerf exam, shots, worming, transportation, carrier, or travel kit fees. This Five Year Free Replacement Puppy Health Guarantee is for the health of your Labrador, and does not cover accidental death, neglect, abuse, or injuries that your dog may sustain while being a part of your family.

Health, Hip, Elbow, Eye, and Genetic Guarantee

At the time Buyer receives their puppy its health will be in sound condition. It will have had its dewclaws removed, a minimum of one vaccination, a minimum of one deworming, and health check in between 6 and 7 weeks of age.

Buyer must have the puppy examined by their veterinarian within 72 hours of delivery. If the puppy is found to be unhealthy or unsound at the time of the initial vet visit, the puppy can be returned, at the Buyer's expense, for a full refund or a replacement puppy. The replacement puppy will be from the same litter (if any are available) or the next available litter. If the puppy is returned after 72 hours Breeder will determine whether a refund or replacement will be issued. If the puppy becomes ill after 10 days of leaving our facility, Breeder will not be held responsible. Buyer is responsible for any and all expenses incurred after receipt of puppy.

The Breeder guarantees the puppy against orthopedic and ocular problems that would prevent the puppy's hips and elbows from being certified by the Orthopedic Foundation for Animals (OFA) or their eyes from being certified by the Canine Eye Registration Foundation, Inc. (CERF) for 25 months. We will ***Extend this Guarantee to 5 years** if the puppy is exclusively fed **Life's Abundance dog food or NuVet Plus** canine supplements daily during his lifetime. (**See *Extended Five Year Guarantee Above**). For this guarantee to apply the puppy's hips and elbows must be x-rayed and submitted to the OFA between the ages of 24 and 25 months of age and the eyes tested prior to the dog turning 25 months old, or up to 60 months old (5 years) for the ***Extended Guarantee**.

Passing grades for hip ratings with the OFA are Excellent, Good and Fair. If the puppy is diagnosed by the OFA as having hip or elbow dysplasia.

OR

If the puppy is diagnosed by a certified veterinary ophthalmologist as having Progressive Retinal Atrophy (PRA), Central Progressive Retinal Atrophy, Retinal Dysplasia (RD), or Cataracts the following guidelines must be followed to make a claim on the guarantee.

1. For orthopedic claims, the puppy must be kept at an ideal weight until the age of 3 years (buyer may be required to provide proof via pictures and vet weight records).
2. For orthopedic claims, male puppies must be kept intact for a minimum 18 months. Female puppies must be kept intact for a minimum of 12 months.
3. Breeder must receive a copy of the original CERF/OFA paperwork and/or x-rays.
4. Breeder must receive proof that the dog has been spayed or neutered.
5. Guarantee is void if the dog has sired or whelped a litter.
6. Dog must have been between the ages of 24 and 25 months old when CERF/OFA was performed. Or up to 60 months for the ***Extended Guarantee**
7. Breeder reserves the right to have a second opinion at breeder's expense.
8. For the ***Extended Five Year Guarantee** to apply buyer must provide proof of purchasing food or supplements that are required by the breeder. (If purchased directly under breeders website, automatic receipts are credited for the

buyer, to the breeder)

It is understood that the above guarantees are expressly regarding congenital and/or hereditary defects; any physical accident or injury to the puppy voids this guarantee.

(EIC).

While a puppy could be a carrier of EIC, Redlund Labradors unconditionally guarantees that our puppies will not be AFFECTED by EIC.

Satisfaction Guarantee

Breeder guarantees that the Buyer will be satisfied with the puppy. If Buyer is not satisfied with the puppy, the puppy can be returned (at Buyer's expense) to Breeder sound and undamaged for a replacement puppy or full refund (Buyer's choice). This Satisfaction Guarantee is valid for 72 hours after receipt of puppy. If the puppy is returned after 72 hours Breeder will decide if any refund or replacement will be issued.

Reversal of Limited Registration

In an effort to promote genetic soundness in the Labrador Retriever breed Redlund Labradors requires breeding dogs to have health clearances. For this reason the puppy is being sold with AKC Limited Registration unless other arrangements have been made prior to the sale of the puppy. Should the Buyer decide they want full registration, Breeder will consider reversing the Limited Registration for an additional fee, once the Buyer provides proof that all health clearances have been performed and passed (OFA Hips, Elbows and eye CERF, and EIC). In order to have the registration reverse Hips must be rated Excellent, Good or Fair. Elbows must be rated Normal. Eye CERF should be Normal/Clear. EIC should be rated as Clear/Normal or Carrier.

Shipping

Puppies may be shipped by air from Minneapolis/St.Paul (MSP) via Delta or United Airlines. A shipping fee of \$500 will be charged to cover the cost of the required health certificate/vet visit, shipping crate and transportation to the airport. Buyer will be responsible for all shipping charges. And those charges will be paid in full before the puppy is shipped.

Reasonable Care

Buyer agrees to provide this puppy with adequate nutrition and a full round of available annual vaccinations. Buyer agrees not to allow the puppy to be overweight during the first three years of the dog's life. Buyer agrees not to mistreat this puppy in any shape or form. Buyer agrees that the puppy will live inside a protective shelter from the elements of hot, cold or harsh weather conditions, in humane surroundings and treated as a member of their family. Violation of this contract will constitute the Buyers unconditional surrender of the purchased puppy and all registration documents at no cost to Redlund Labradors. If legal action is required to assume possession of the puppy Buyer will be responsible for any attorney fees, legal filing fees, and court fees.

Buyer agrees to notify Breeder of any name or contact information change.

Buyer agrees that if for any reason they cannot keep the puppy, Breeder is to be contacted IMMEDIATELY and given the first option of taking the puppy back. We want to ensure that all of our puppies have the good homes they deserve.
